

BIONAT®
NEURO BIOACTIVE HONEY COMPLEX

NATURAL WELLNESS FORMULA

IMMUNITY. BALANCE. DAILY WELLNESS.

BIONAT® is a premium honey-based wellness formula created for people who want to support their health naturally every day.

Made with medicinal mushroom extracts, premium bee products, hemp seed oil, and pure acacia honey, BIONAT® combines carefully selected natural ingredients in one balanced formula.

Designed for everyday use, it helps support overall well-being, vitality, and a healthy lifestyle.

CRAFTED IN SMALL BATCHES

MODERN CHALLENGES

Modern life places **constant demands** on our bodies.

Daily stress

Busy schedules

Physical fatigue

Environmental challenges

Poor nutrition habits

Lack of balance

Reduced overall wellness

- ◆ Maintaining good health requires consistent daily support.
- ◆ More and more people are choosing natural solutions to help maintain their well-being and quality of life.

**BIONAT® WAS CREATED WITH
THIS PURPOSE IN MIND.**

THE BIOSTIM FORMULA

Carefully Selected Natural Ingredients

Acacia Honey

Premium natural honey selected for its purity, smooth texture, and pleasant taste.

Hemp Seed Oil

A natural source of beneficial fatty acids and plant nutrients.

Agaricus Blazei Extract

A functional mushroom traditionally valued in wellness nutrition.

Reishi Mushroom Extract

One of the most respected functional mushrooms, associated with balance and overall well-being.

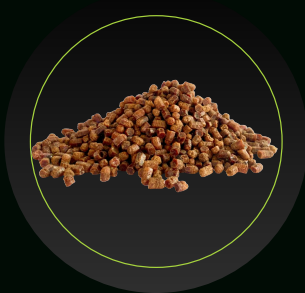

Chaga Mushroom Powder

A natural mushroom ingredient appreciated for its rich composition.

Bee Pollen

Naturally rich in nutrients and biologically active compounds.

Bee Bread

A traditional fermented bee product valued for its nutritional profile.

Propolis Extract

A natural source of bioactive compounds from the beehive.

3

KEY BENEFITS

IMMUNITY

Supports the body's natural defenses and everyday wellness.

BALANCE

Helps maintain internal harmony and overall well-being.

DAILY SUPPORT

Provides natural support for an active and healthy lifestyle.

A BALANCED FORMULA FOR EVERYDAY WELLNESS.
