

BIOSTIM[®]
NEURO BIOACTIVE HONEY COMPLEX

CALM MIND. CLEAR FOCUS. NATURAL BALANCE.

BIOSTIM[®] is a premium bioactive honey complex created for those who care about quality, mindfulness, and emotional balance.

A unique blend of functional extracts, high-quality bee products, and natural ingredients, designed to support mental health, brain clarity, and quality of life.

CRAFTED IN SMALL BATCHES

MODERN CHALLENGES

The fast pace of modern life puts constant pressure on our minds and bodies.

Every day many of us face the following issues:

Daily stress

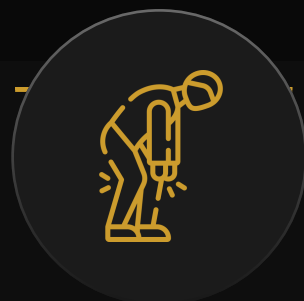

Mental overload

Decreased
concentration

Poor sleep
quality

Fatigue

WE DON'T NEED ADDITIONAL STIMULATION.
WE NEED NATURAL SUPPORT AND RECOVERY.

THE BIOSTIM FORMULA

Carefully Selected Natural Ingredients

Hericium erinaceus extract (Lion's Mane)

A functional mushroom associated with cognitive support and mental clarity.

Panax Ginseng extract

A well-known adaptogen traditionally used to support the body's resistance to stress.

Royal Jelly

A unique bee product with a rich and complex natural composition.

Propolis Extract

A source of bioactive natural compounds.

Bee Pollen & Bee Bread

Natural nutrients that support overall well-being.

Sea Buckthorn Oil

A source of natural antioxidants and essential fatty acids.

Acacia Honey

Premium natural honey with a mild taste and high purity.

Lavender Oil

Aromatic oil known for its calming and relaxing properties.

3

KEY BENEFITS

A BALANCED FORMULA FOR A BALANCED LIFE.

CALM

Helps to calm the mind and balance your emotions in a dynamic world.

CLARITY

Assists in improving focus, concentration, and mental performance during the day.

RECOVERY

Helps the body and mind recharge naturally and supports daily well-being.

CRAFTED IN SMALL BATCHES NOT MASS-PRODUCED

BIOSTIM is not made in industrial volumes. We believe that true quality comes from attention to every detail.

Each batch is carefully prepared in limited quantities to ensure ingredient integrity, product consistency and premium quality standards.

This allows us to maintain strict control over every stage of production — from ingredient selection to final packaging.

WE DON'T NEED ADDITIONAL STIMULATION.
WE NEED NATURAL SUPPORT AND RECOVERY.

ONLY APPROXIMATELY
300 JARS CRAFTED MONTHLY.

PREMIUM MIRON GLASS PACKAGING

PROTECTED BY MIRON VIOLET GLASS

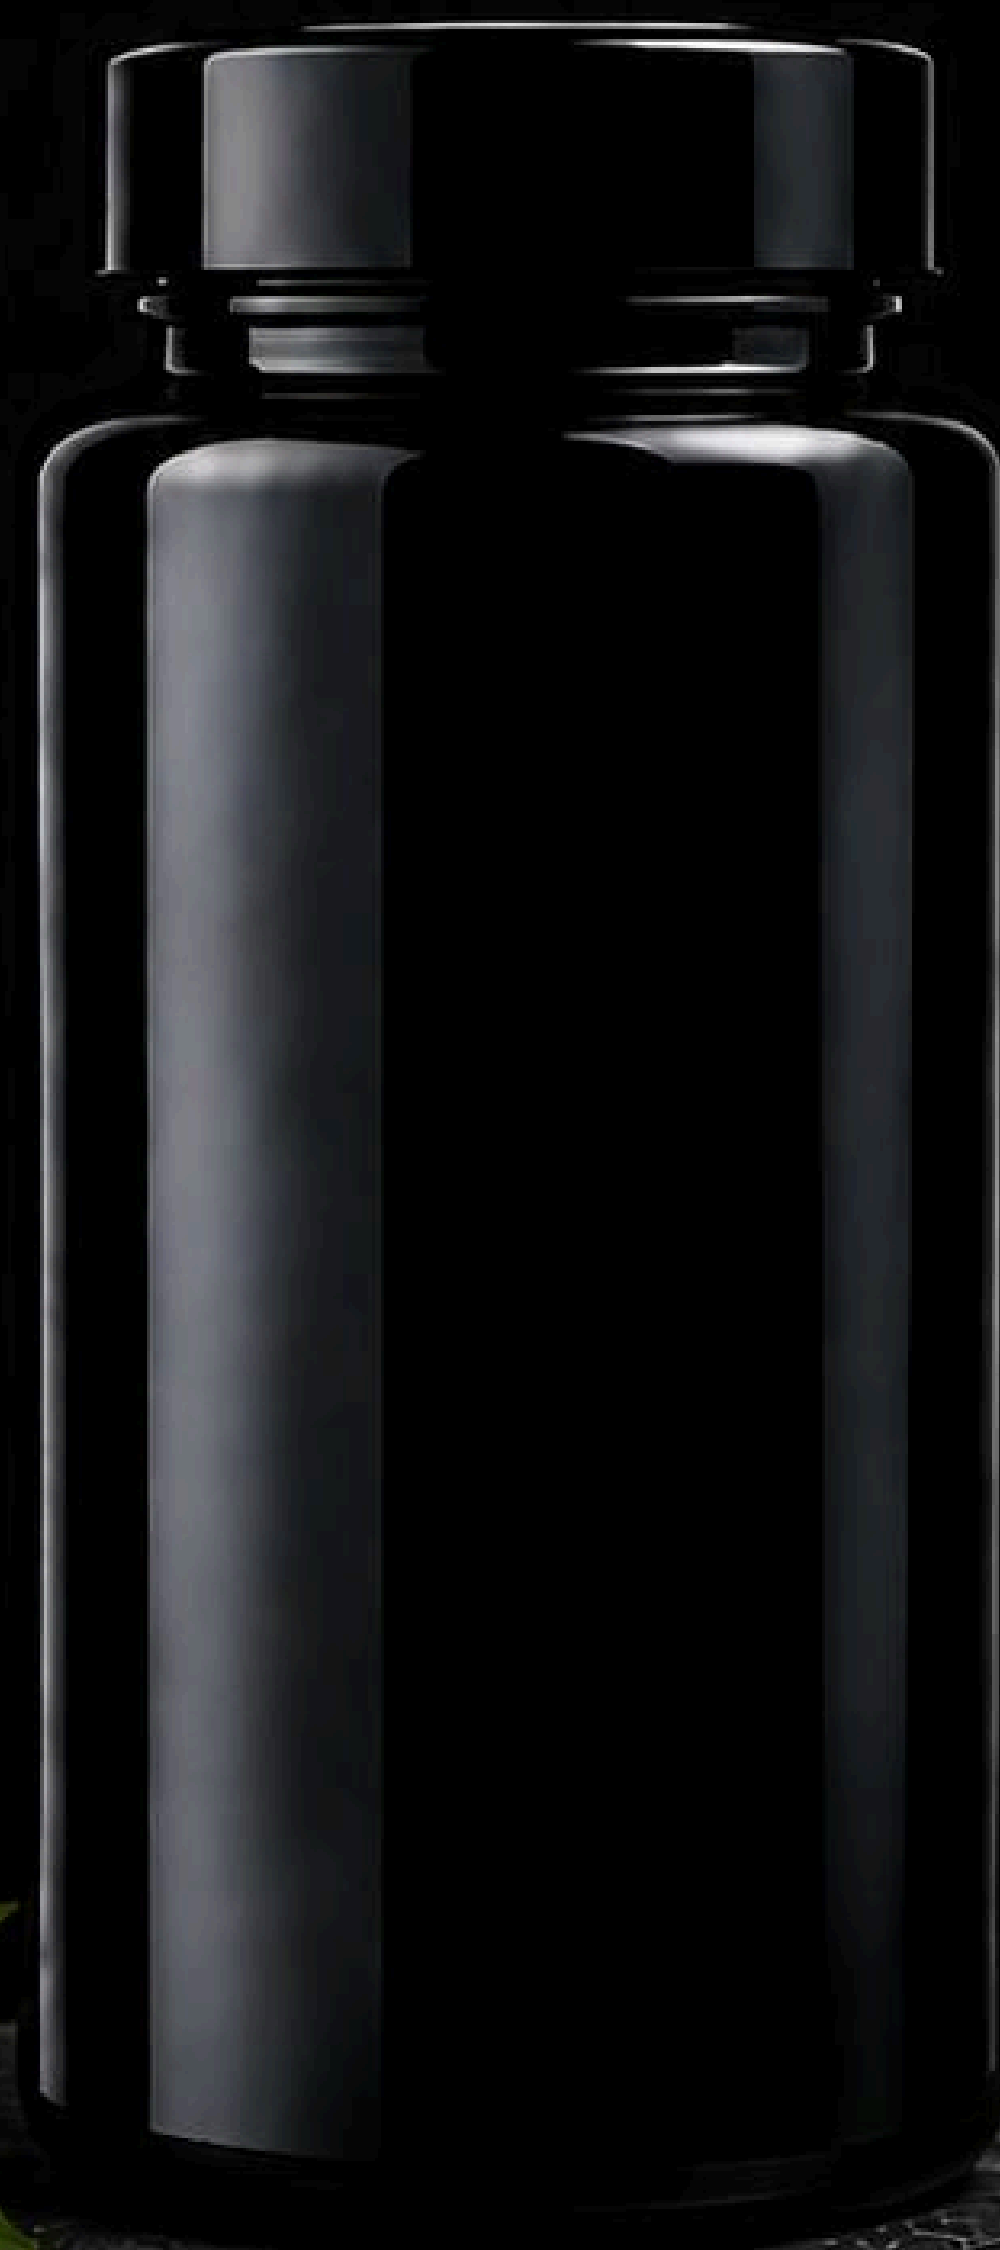

Every jar of BIOSTIM® PRO is packaged in premium MIRON violet glass.

This unique glass helps protect natural ingredients from light exposure and supports the preservation of product quality over time.

Benefits of MIRON glass:

- ◆ Helps preserve freshness
